- The Chapter awards for the year 2003 were given out.
- Ethan Noble has been appointed as our Web Administrator. Accepted by Jim Hodges, seconded by Charles Pasmore.
- John Sheridan made an extremely generous donation of \$100.00 to the club in recognition of all the help the club members have given him with his rag-wing. We would like to thank you John.
- We are going to make a donation of \$200.00 to the "San Diego Ultralight Association" and sent to Larry Faast, 1932 Duke St., Chula Vista, CA 91913 <http://www.usua.org/HotNews/20031028.html> in response to the devastation caused by the wildfires in California.
- As you may or may not know Ethan Noble had an off field landing in Hillsborough. Unfortunately his wing caught the top of a tree just before the field and it spun the plane in. Ethan is fine, but the plane is another story. The crash caused some damage, but nothing that couldn't be fixed. The sad thing is that the plane was TOTALED by the Farmer and/or the Tow Truck Company. When Jim and Ethan went to pick up the plane, it was in a pile. Adding insult to injury, they charged Ethan \$1,400.00 to tow the plane and store it overnight.
