

First Jersey UFO #2
USUA/EAA Chapter #53
Wednesday 12/08/04

Call to Order:

- 7:41 pm - Opened meeting at the FBO Office.
 - Jim Hodges & George Honsch & Charles Pasmore Present

Minutes:

- Jim Hodges read the minutes of 11/10/04.
 - Accepted by Ray Bohler Jr.

Old Business:

- The new trailer (provided by Joe Horner) is pre-wired for electric. It has lights, heat and a/c. John Sheridan is looking into an outside generator. Yours truly will do what's necessary to tie the generator into the trailer.
- A vote was taken and the club dues were raised back to the \$20.00 a year, due to our dwindling General Fund.

New Business:

- As a second way to increase the revenue in the General Fund we voted on switching the deposits from the 50/50 from the Durant/Dubiel Fund to the General Fund. It was decided and voted on that the Durant/Dubiel Fund should maintain a balance between \$200.00 and \$400.00. Once over \$400.00 the 50/50 should go to the General Fund. Once under \$200.00 the 50/50 should then go back to the Durant/Dubiel Fund.
- A third way it was discussed on raising money was to hold some sort of Flea Market. Further discussion on this issue at upcoming meetings.
- Have some aviation related article to sell. Get the info to our Webmaster Ethan Noble at, <http://www.firstjerseyultralights.com/>
- We would like to have an even larger presents at this Young Eagle's Day. A club member might be able to get some War-Birds and we want to have a large static display of club aircraft.
- We discussed the club party to be held at "New Orleans Restaurant" in March. Charles will contact them and have info at the next meeting.
- John Sheridan's Rag Wing is completely signed off and has met the 40-hour requirement.
- Will Phelps has purchased a beautiful used hawk; it has a 503 and its black and yellow.
- Julio and Edmundo have purchased a used Ultralight. I have to apologize because I don't have the info on it 😞
More Info next time.
- Bob Duane made a successful dead-stick landing. The 277 Rotax just stopped.
